

Avenger - Specialty Open Boats

POA

Description

Sea Jay's Avenger - Specialty Open Boats The Avenger range has models to suit all, the Adrenalin Hull with 3mm bottom and 3mm sides featured on models 4.48 and up, with models 4.25 and 4.28 having 2.5mm sides. The Adrenalin hull incorporates a reverse chine, with a deeper V and wide beam. These features give you an excellent ride; enhance stability, great control and optimal fuel efficiency. All models feature front and rear cast platforms with hatches, electric motor plates are fitted off the front gunwhale, with a bow sprit and roller fitted on the front deck. A sounder mount and switch panel plate is fitted within the hull for electronic needs. Plenty of rod holders are on offer with 6 plastic holders fitted to the wide side decks. Seating is in the form of two full upholstered folding seats with five socket positions. Fuel tanks are fitted to models 4.48 and up, and all models are available in either painted or non-painted. Avenger comes in 4.25m, 4.28m, 4.48m, 4.68m and 4.88m. Come and See us, Download the features below or go to Sea Jay's Website for more information on the Avenger: <http://www.seajayboats.com...>
